★ 1000 BOOKS BEFORE KINDERGARTEN ★

BOOKS 1 - 100

1000 Books Before Kindergarten is a fun, exciting and free way to start your child on the path toward a lifelong love of reading! Developing early literacy skills makes it easier for children to learn to read in Kindergarten. These skills provide a foundation for all other learning. Our program is a powerful way to encourage bonding and the building of essential pre-reading skills while igniting imagination.

Register at any LCL service desk. Keeping track of what you read is easy and can be done through an app or with one of our reading logs. For every 100 books read, your child earns a prize. In the end, you'll have a "Super Reader" to celebrate and send off to Kindergarten.

It doesn't matter if you read the same book 1,000 times—each time counts! The three books read by a librarian during Story Time—track them. Audiobooks, eBooks, Tumblebooks and Hoopla's Read Along Reader—they all count and are free with a library card. Questions? Ask us. We're happy to help you begin this adventure.

This fabulous program is brought to you by Friends of the Licking County Library.

LITERACY TIP

Point out similar words.

By age 4, children begin to recognize letters. You can point out words in a book that begin with the same letter to your preschooler to help him become familiar with the letter and begin to associate certain words with that letter.

LITERACY TIP

Have your preschooler tell you the story.
By age five, children can sit still for longer books
and can create their own stories based on the
pictures. Ask your preschooler to tell you the
basic plot of the book or to make up stories based
on what he sees on each page.
